

INSTRUCTIONS FOR PAPER SUBMISSIONS [TS1 – TS12]:

- ◆ Authors must submit SHORT PAPERS (3-4 pages) or REGULAR PAPERS (5-8 pages) electronically as single PDF files in US Letter size (not A4), along with a separate abstract (100-300 words).
- ◆ Authors must use the IEEE conference template, a two-column template, as shown in the links below:
 - [UV2026] LaTeX template: <https://email-cfp.vercel.app/Instructions/%5BIEEEUV2026%5DTemplate-Latex%20Source%20File%5B20260308%5D.zip>
 - [UV2026] Overleaf Instruction: https://email-cfp.vercel.app/Instructions/Overleaf_Instruction-2026.docx.pdf
 - LaTeX Instructions: http://www.ctan.org/tex-archive/macros/latex/contrib/IEEEtran/IEEEtran_HOWTO.pdf
- ◆ Please follow the IEEE standards and ensure that all fonts are embedded. Please also remove running headers/footers, page numbering, and blue underlining for URLs and email addresses.
- ◆ Authors of accepted papers (or at least one author per paper) are required to submit their presentation PowerPoint/PDF slides, to register for IEEE UV2026, and to present their work at IEEE UV2026.

INSTRUCTIONS FOR FORUM and COMPETITION SUBMISSIONS [CF][SF][AF] [DSC][MC][PC][K12C]:

- ◆ All applicants of Forum and Competition must submit a one-page abstract (100-300 words) and Presentation PowerPoint/PDF slides.
- ◆ All applicants of the Data Science Competition and the Modeling Competition must also submit their papers and other supporting documents (e.g. codes and video clips) to showcase their results.
- ◆ Authors of accepted submissions (or at least one presenter per presentation) are required to register for IEEE UV2026 and to present their work.
